ers, 1321 and 1323 Market street.

REMOVAL NOTICE.

Jacob W. Grubb has removed his store
from the Grand Opera House building to
No. 1300 Market street, where a large and
elegant line of Jewelry, Watches, Dia-
monds, etc., may be found.

A Large Spring Lamb.

Mr. Edward Delta, of Clinton,
brought in a spring lamb yesterday,
which stumped some of the butchers.
It weighed ninety-six pounds and
many of them claimed that several
springs had passed over its innocent
head. Mr. Delta finally convinced Hess
and Lemmons that it was only born
last April, and that firm secured the
prize.

City Wine a Point.

Arguments in the case of W. J. Coits
vs. the city to restrain it from pur-
chasing a punch bowl and service for
the new battle ship Wheeling, were
heard by Judge Hervey yesterday. So-
lietor Nesbitt took his first chance
in the city's interest and acquitted
himself with credit. He entered a de-
murrer to the bill prepared by the
attorney and it was sustained by the
court, who allowed the plaintiff time
to file amendments.

A Fruitless Search.

County Constable Lloyd, of Marshall
county, in company with Chris. Huse-
man, the Benwood citizen, who was
robbed by a German boarder on Wed-
nesday morning, made a search of a
house in East Wheeling, yesterday,
where it was thought the thief might
be located. The search was fruitless.
The thief is described as a young
German, dark-complexioned, smooth-
shaven. As he came to Benwood from
Harrisburg, it is thought he may have
returned there.

A Little Girl Saw the Thief.

William Nickerson, who had a horse
and buggy stolen from him at Fulton,
near the toll gate, on Thursday night,
was in town yesterday, seeking means
to recover his loss. The horse was tied
to a post, and a little girl near the
old Thompson homestead saw a man
unhitch the horse about 10 o'clock that
night, and jumping into the buggy, give
the horse a quick stroke with the whip,
and drive off out the pike.

All the neighboring towns have been
telegraphed descriptions of the horse
and rig, and Constable Anderson is
making a search for it in this county.

Elkins Cadets Drilling.

The Elkins drum and bugle corps
has just received eight handsome new
bugles, and new drums may be pur-
chased shortly, if it is found that those
now being repaired are not suitable
equipments for this crack organization.
The boys meet for drill three times a
week, and are rapidly attaining a fin-
ish that will give them a decided boost
in Washington, March 4. No practice
was indulged in last night, on account
of a conflict of dates with an organi-
zation that also meets in their head-
quarters, in the Odd Fellows' hall.

Revival Services.

A very successful revival is in pro-
gress at the Zion Street M. E. church.
More than forty persons have been con-
verted. To-morrow morning Rev. Dr.
Breckinridge, superintendent of the
Brooklyn, N. Y. hospital, will preach,
and the pastor, Rev. B. B. Evans, will
conduct the evening service.

The revival which has been in progress
at the North Street M. E. church has met
with great success. The Sunday morn-
ing service to-morrow will consist of a
general praise service, at 10 o'clock, fol-
lowed by a sermon by the pastor on the
subject, "The Secret of the Christian's
Success." In the evening Rev. Dr. J. S.
Breckinridge, of Brooklyn, will preach.

RINGING noises in the ears, snapping,
buzzing, roaring, caused by catarrh, all
disappear with the use of Hood's Sarsa-
parilla.

FROM 25c to \$1.00 a pair saved on
Shoes at our closing out sale.
J. T. STONE.

Always Reliable.

If you have glasses fitted by other
opticians that fail to give your eyes
relief, consult the reliable optician,
Professor Sheff, 1110 Main street, who
gives the eyes relief when others have
failed and with his new method, is
working wonders for people with all
kinds of eye troubles.

NEW WORKHOUSE

May be the Result of the Police
Committee's Visit.

AT THE MEETING LAST NIGHT

The Matter was Discussed—Committee
Decides to Make an Inspection of the
Prison on the Hill with a View to Ascer-
taining the Needs of the Institution—Im-
pression that a New Building is Badly
Needed.

The committee on police met last night
and transacted several items of business.
A number of bills were passed upon and
blankets were ordered printed for the su-
perintendent of the work house, to make
his itemized reports on. The condition
and needs of the work house was the sub-
ject of some discussion, and it was de-
cided to pay a visit to the institution
next Thursday afternoon and make a
general inspection.

A request of Captain Bennett was
granted. He asked that new clubs and
badges be furnished the police.

The furnishings will be secured from
a Pittsburgh firm. The badges will be
elegant in appearance and different in
design to those now used. The new
clubs will be of rosewood, twenty-two
inches in length, and adorned with
handsome tassels. The new badges and
clubs are of the latest design.
The inspection of the city prison or
work-house, as above stated, will be
made on next Thursday afternoon. The
committee will inspect the building,
and consider plans of replacing it with
a more modern structure. It is not
certain that the committee will order
a new building, but repairs will not
improve the present building very
much.

The workhouse has been the sub-
ject of much ridicule by strangers visit-
ing Wheeling, and its replacement by
a building that prisoners cannot push
down, will be a decided improvement
to the city's institutions. The stone
pile will remain as of old.

STRANGE CONDUCT

Of a Man Who Laid Claims to a Horse.

Why Mr. Miller is Happy.
Charles Miller, a farmer living near
Park View, was put to considerable
trouble yesterday morning for nothing.
Out near Fulton, as he was driving his
team, he was accosted by a man, who
afterwards gave his name as Taylor,
and living near West Liberty. Taylor
pointed to one of the horses Miller
drove, and claimed that it years ago.

He demanded that Miller give it up to
him, but the latter, of course, refused.
After considerable wrangling they
agreed to come to Wheeling and settle
the matter before a justice of the peace.
The town marshal of Fulton got in Mil-
ler's rig, and came with him. Taylor
drove on ahead, but when Squire Fitz-
patrick's office was reached Taylor was
found missing.

Miller seemed afraid that he would
have to give his horse up, but he said
he had bought it. Squire Fitzpatrick
ordered him to keep it until a suit was
entered against him, so Miller drove off
happy.

IS AN EVOLUTIONIST.

Dr. John R. Thompson, Formerly of
Wheeling, Announces Himself.

The following from the New York
Times will be read with interest here:
Dr. Thompson was formerly pastor of
the Chapline street church in this city,
and later president of the state uni-
versity at Morgantown. The Times
says:

The Rev. Dr. John Rhey Thompson,
pastor of the Nostrand Avenue Meth-
odist Episcopal church, Brooklyn, has
announced a series of sermons for the
Sunday evenings of February on "The
Bible and the Supernatural."
Thompson has defined his position as
that of a pronounced theistic evolu-
tionist in the sense that Henry Ward
Beecher was one. He declared yester-
day that he would not criticize any
one, but would stick to the Bible.

TAKEN TO WESTON.

George Magers Goes to the Hospital for
the Insane—Assaulted the Attendant.

George Magers, who was adjudged in-
sane Thursday, was taken to the state
hospital for the insane at Weston yester-
day morning by William Anderson,
an attendant of that institution. Some
difficulty was experienced with the un-
fortunate man at the Baltimore & Ohio
station, when he was taken there in a
carriage. A couple of Magers' friends
had accompanied the attendant and his
charge, and as they were alighting from
the carriage Magers suddenly assaulted
the asylum attendant; and a desperate
struggle took place. Anderson over-
came Magers finally and held him until
the arrival of Lieutenant Clemans from
police headquarters. The patient was
taken back to the jail until he had quieted
down, and later was taken to the train
hauled off and in a straight-jacket.

body & Son, Benwood.

THE NEW WAY.

A GREAT SUCCESS FOR FITTING ALL
KINDS OF EYES WITH GLASSES.

Our new scientific method of examining
the eyes and fitting glasses without put-
ting drugs in the eyes and making the
patient blind for a week, or having them
sit for hours looking at charts and trying
to fit themselves until they become so be-
wildered they cannot tell what they can
see. We fit the eye for examination with-
out depending on the patient and know
when they are fitted correctly.
Consultation and examination free.
